

THE BELLS OF BERE REGIS

© Linda Lamon 2014

The bells of Bere Regis
Ring out their song
From St John The Baptist
To the village and beyond

For five hundred years
They've lent their soulful sound
To neighbours of this holy ground

CHORUS

Ring! Ring! Ring loud and clear
Bring, bring, your people near
Let's hope, hope, your ancient chimes
Will live, live throughout time!

They lovingly call
And invite us to pray
As the music peels
We're with you this day.

CHORUS x 2
